- **Visit the Hall:** Head to the administrative office during office hours.
- **Present ID:** Bring a valid government ID or proof of residency (like a utility bill or Voter's ID).
- **Provide Information:** A staff member will record your full name, contact details, and **active email address**.
- **Verification:** Once the staff encodes your data into the system, your identity is "verified."

Step 2: Accessing the App

Once you have been registered at the hall, you can access your account:

1. **Open the App:** Use the login screen shown in your screenshot.
2. **Enter Credentials:** Use the email address you provided at the Barangay Hall.
